

The logo for Snyder Equipment, Inc. features the word "SNYDER" in large, bold, white, sans-serif capital letters. This text is set against a solid blue rectangular background. Below the blue background is a horizontal yellow bar. To the left of the yellow bar is a solid yellow circle. To the right of the yellow bar, the words "Equipment, Inc." are written in a smaller, blue, sans-serif font. Below "Equipment, Inc." is the tagline "Storing, Rolling, Lifting since 1947" in an even smaller, blue, sans-serif font.

# SNYDER

**Equipment, Inc.**

# AkroBins®

storage bins, racks & systems

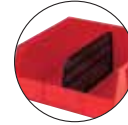

- Control inventories, shorten assembly times and minimize parts handling
- Heavy-duty bins securely stack atop each other, sit on shelving and hang from Akro-Mils racks, panels, rails and carts
- Molded of high-impact polypropylene, AkroBins are unaffected by weak acids and alkalis
- Products made of polypropylene block copolymer are autoclavable up to 250° F
- Sturdy, one-piece construction is water, rust and corrosion-proof
- Guaranteed not to crack or break under normal load conditions as stated in our 1-year limited warranty
- **New Colors!** All models now available in Green, semi-Clear and Black to expand sorting options and efficiency!
- Available in 14 sizes and 7 colors: Red, Yellow, Blue, Stone, Green, semi-Clear and Black

## accessories

"See-through" Crystal Styrene Lids keep contents dust-free and protected

Lengthwise Dividers keep items separated in the bin

30320 Wide AkroBins: Dividers available in two sizes

## 33" Wide AkroBin

### Great Lengths to Organize More Efficiently

- 1 to 8 compartments, depending on divider placement
- Optional lid sold separately
- 2½" and 4" dividers available (comes with two 4" dividers)
- Fits on standard Akro-Mils rail, louver and 36" shelf systems
- Reinforced sides for secure stacking

30320 33" Wide AkroBin with Optional Lid

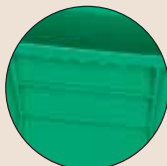

## features

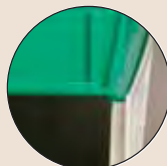

Anti-slide stop prevents stacked bins from shifting forward

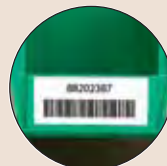

Full-width hanger lip supports bin on hanging system

Reinforced side ribs add strength and prevent spreading when stacked

Extra-wide stacking ledge saves space and prevents spills

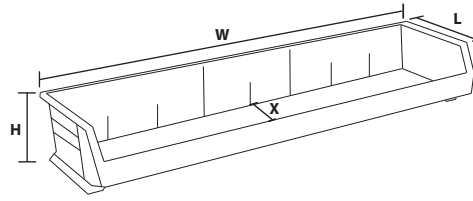

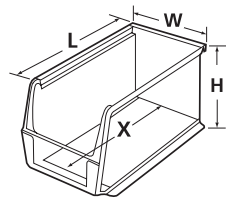

Large front label area for easy coding and scanning

Curved-bottom hopper front makes it easy to retrieve small parts

Dividers allow you to create customizable compartment sizes

## Efficient Organization with Customizable Storage

### Dividable VantageBin™

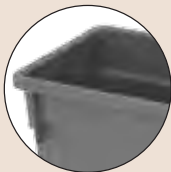

- Sturdy bin holds dovetailed dividers to customize compartments
- Fits on standard 24" deep or wide shelving and counters
- Bins nest when empty to conserve storage space
- 24" x 5½" x 7" bin is dividable in up to ten sections
- Sturdy polypropylene construction
- Available in two colors: White and Gray
- Longer and taller than VantageBin
- 9 divider positions per bin

## features

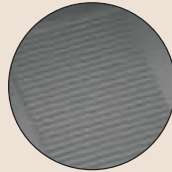

Corner ribs prevent jamming when nested

Rolled rim for added strength and durability

Dovetailed design securely locks dividers in, maintaining bin shape under heavy loads

Molded-in V-grooves on the VantageBin create non-slip surface on inside bottom

### VantageBin™

- Molded-in V-groove bottom keeps items upright and prevents them from sliding without dividers
- Bins nest when empty to conserve storage space
- Durable, injection-molded polypropylene construction
- Quick, easy access and identification when organizing envelopes, bags, jewel cases, photographs and more
- Ideal for retail and material handling as well as home and office storage applications
- Available in three colors: White, Gray and Yellow
