August 7, 2001

IPO Introduces New VersaDeck™ Mezzanine System

IPO VersaDeck™ Mezzanines are the ideal solution for maximizing the usable space in your facility:

- Eliminates the need for building expansion by using the space you already have, saving you money on construction, property taxes, and building maintenance.
- Accelerated depreciation (under tax laws) allows you to write off your mezzanine in 7 years – as opposed to the 39 years it would take to write off new construction.
- Bolt-together construction allows for quick, simple installation and offers flexibility for future expansion or relocation as your needs change.
- Pre-welded stairs, stair rail, and panelized handrail install quickly, saving you time and money.
- Free spans up to 50' eliminate the need for unnecessary columns that may interfere with your work area below.
- Load capacities up to 500 psf allow us to meet virtually any application.
- Integrated design with IPO inplant offices offers the perfect solution for elevated office space.
- VersaDeck™ Mezzanines are designed to L/360 deflection to comply with building code requirements.
- A wide variety of decking surfaces – from plywood to bar grating and concrete – are available to meet your particular application.
- All VersaDeck Mezzanines are designed to meet the seismic requirements of your region.
- Custom designs accommodate irregular shaped requirements, special heights, and cantilever situations.
- Multi-story mezzanines are available.
- VersaDeck Mezzanines are shipped with all required fasteners and anchors.
- Standard structure and handrail color is gray. Custom colors and finishes are available.

VersaDeck™ Mezzanines are well suited for a variety of applications, including:

- General Storage
- Lunchrooms
- Elevated Offices
- Catwalks
- Equipment Platforms
- Inspection Areas
- Production Areas
- ... And Many More!

IPO VersaDeck™ mezzanines offer everything you've come to expect from us: quality, flexibility, superior design, customer service excellence – all at competitive prices. Call IPO today at 800-356-3199 for a quotation on your next mezzanine project.
