are good for the environment! Not only do they save trees, but they also reduce landfill use! Our recycled plastic is colored with a unique UV process that adds an attractive wood grain appearance. It never needs to be sealed, painted, stained and will not rot. It is **maintenance-free!** Stainless steel hardware is used to ensure you won't be replacing hardware. It is also **vandal-resistant.** Pens and markers can be washed off and paint will not bond to the surface - it can be removed with sandpaper or a paint scraper. Scratches to the surface can easily be ironed or sanded away. These products are designed to give years and years of trouble free service, while keeping their nice appearance. Frames come standard **black.** Choose slats in **Green, Cedar, Brown or Gray.** (Custom colors may be available upon request.)
