100 YEARS IN BUSINESS!!

All canopy tops are 14 oz. Sunburst vinyl which is flame retardant, and both UV and mildew resistant. It has a high gloss and is easily cleaned with soap and water. Choose 1 color for a solid canopy, or 2 colors for a striped canopy top. Heavy duty construction gives years of service, while lesser quality units are being thrown out and replaced.

NEW! MILLENNIUM CANOPY-
is great for corporate social events!

Durable and easy to install, this unit requires no special tools for assembly! High peaked top gives plenty of wide open space beneath the canopy, as center pole is suspended on cross cables in tension structure top above. Corner ratchet system allows for a shorter set up time. No bolts, pins or small parts to lose. Aluminum construction means no rust! Unit comes with four, 30" white nail head steel stakes and storage bag for top. Ask about corporate logos! **Assembly is quick and easy!**

UTF Textilene Umbrella w/crank 10 lbs. \$79.00

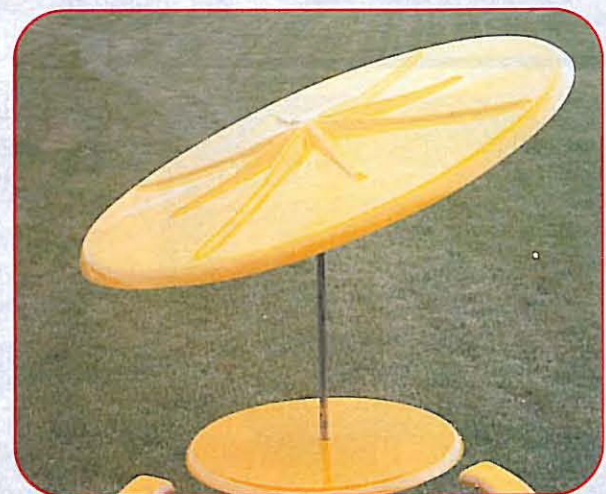

Fiberglass Umbrellas

Fiberglass Umbrellas are tough and weather-resistant! They are 7 1/2 ft. diameter and swivel with the wind on the pole at a tilt. Pole is 1 1/2" dia. galvanized tube. Ultragel coating up to 20 mils thick has UV inhibitors to help prevent sun fading. Our standard fiberglass colors are:

UF Fiberglass Umbrella w/pole-swivels 81 lbs. \$445.00

A great companion to round fiberglass table on pg 12!

UMBRELLAS

Wind-Resistant Umbrellas are specially designed for windy conditions. A wind vent in the top lets air out and 'fishing pole' type fiberglass ribs will flex with the wind, but do not break! They come with powder coated aluminum poles. Available in both "Valance" and "Market" style.
