FOUNTAINS and COOLERS

WALL MOUNTED

This model is a durable, white cultured marble, wall mounted drinking fountain with a flush mounted front push button. Soft, rounded corners give this fountain a comfortable, smooth appearance. When these fountains are properly installed, they enable a facility to comply with ADA requirements for use by persons in wheelchairs. Approximately 8 1/2"H x 14"W. 110 lbs.
KP1080 \$1064.00

Indoor use

WALL MOUNTED

This popular 18 gauge stainless steel model is lightweight and easily installed. This is a wall mounted unit that extends out to be readily accessible by persons in wheelchairs. It features a polished, chrome plated solid brass bubbler that is locked to the receptor and has automatic stream control. Approximately 9"H x 12"W. 23 lbs.
KP43WCP \$861.00

Indoor use

WALL MOUNTED

This unit is ideal for mounting outdoors to shelter walls for park patrons, or other building walls for grounds personnel, etc. It has a chrome-plated brass bubbler locked to a stainless steel receptor, a push button valve and a clear coat protective finish over the std. green polyurethane enamel. (Other colors are available upon request.) This unit weighs 40 lbs.
KP53SWF \$1327.00
KP53SWFFP \$1881.00

Outdoor use

WATER COOLERS

WALL COOLER

Indoor use

This compact wall-mounted model can deliver up to 5 gallons of cold water per hour. The front and side panels have hammer-tone finish, making it well suited for banks, hospitals, retail stores, etc. It measures 22"H x 15"W and is easily installed. Pewter gray. 61 lbs. **CSW4 \$767.00**

WALL COOLER

Indoor use

This wall mounted unit features a soft-touch, self-closing, vandal resistant push bar, automatic stream control, and a stainless steel receptor. Easily installed because no wall cut-out is required. When bubbler is 36" from the floor it helps meet requirements for facilitating the physically handicapped in public buildings. Standard cabinet is 22"H x 17 3/8"W and pewter gray in color, but is available in Stainless Steel. 70 lbs.
HCWC8 \$1065.00

WALL COOLER
