SELF DRAINING

PEDAL WELLS & SEATS

You never have to drain these pedal boats. Any water that gets in automatically drains back into the lake. No drain plugs needed.

DIRECT DRIVE

The direct drive feature and four convenient grease fittings minimize down time and maintenance cost. Disc Paddle Wheel for easier pedaling, greater thrust.

100% FOAM FILLED PONTOONS

-BIG SAFETY FACTOR-
-SELF DRAINING

Virtually unsinkable. Even a punctured pontoon still floats level.

STEERING WHEEL

Handy wheel location, steers in direction you turn wheel. New more responsive rudder design.

Free Video!
VHS or CD

Both design and flotation foam far exceed Coast Guard requirements. NMMA certified.
