PANEL MOVERS

5" Standard Casters

Designed principally for moving office partition panels, but flexible uses extend to moving banquet tables, roll goods, mattresses, bedframes, etc. In addition, the panel mover has become a standard in many workrooms for transporting raw materials between workstations.

- Platform: Tubular steel and steel plate.
- Three removable uprights made of 1" welded steel tubing.
- Finish: Platform and uprights coated with non-mar, skid-resistant vinyl.
- Load capacity: 2,400 lbs.

Model 3825

- Casters: Heavy duty phenolic plate, 5"x 2," two fixed, two full swivel.
- Three removable uprights: 38" long X 26" high.
- Dimensions: 27½" X 36" overall; 7½" floor to top of base; 33¾" overall height.
- Load capacity: 2400 lbs.
- Will ship UPS.

Model 3850

- Same as Model 3825 but with four full swivel casters.
- Will ship UPS.
