## F. WIRE LAN WORKSTATION

Heavy-duty steel frame with 48"W x 30"D laminate work surface. Two 48"W x 18"D wire frame shelves with PVC inlays will support up to 650 lbs. each and adjust in 1" increments. 42"W x 24"D mobile server shelf rolls easily on casters, allowing easy access to cables. Pull-out keyboard/mouse tray and two pull-out wire keyboard holders free-up valuable workspace. Scratch-resistant Metallic Gray powder coat finish. 52825L optional Utility Basket available for this model.

Model	Description	Color	W x D x H
5210SL	LAN Workstation	Metallic Gray	48 x 30 x 73"

## COMPUTER SECURITY CABINET

Ideal for high traffic areas where security of sensitive company information and equipment is an issue. Protects computer equipment from dust and debris as well as other mishaps in warehouse and production environments. The two units that comprise the cabinet can be stacked, or the top can be used on an alternate surface. Constructed in durable steel with Gray powder coat finish.

### G. Locking Top Security Cabinet

Locking Plexiglass front allows users to view the monitor while protecting it from dust accumulation, tampering or theft. Includes locking keyboard drawer. Top can be used alone on a table or with the matching base. No assembly required.

Model #	W x D x H
5403GR	24 $\frac{1}{2}$ x 22 $\frac{1}{2}$ x 27 $\frac{1}{4}$ "

### H. Security Cabinet Base

Locking front and louvered rear doors for easy access to computer equipment or cables. Includes one adjustable shelf and four large 5" casters (two locking) for easy mobility. Ships set up; just install casters.

Model #	W x D x H
5402GR	24 $\frac{1}{2}$ x 22 $\frac{1}{2}$ x 32 $\frac{3}{8}$ "
